

## Hillary (And Bill): The Sex Volume

In HILLARY (AND BILL): THE SEX VOLUME - part one of the Clinton Trilogy - Bill and Hillarys meteoric rise to success is chronicled. Its a carefully plotted path that eventually led them to the White House. But along the way, a series of compromises had to be made, including a prearranged marriage, clandestine assignments for the CIA, and Hillarys ultimate role as a fixer for her husbands many dalliances. Pulling no punches, investigative journalist Victor Thorn paints a compelling portrait of secrecy, deceit, violence, and betrayal that shatters the myth Mrs. Clinton has spent so many years trying to create. This three-book series is the most comprehensive examination of the Clinton marriage ever compiled, with HILLARY (AND BILL): THE SEX VOLUME laying a riveting foundation for the next two books which follow: part two - HILLARY (AND BILL): THE DRUGS VOLUME, and then part three - HILLARY (AND BILL): THE MURDER VOLUME.
