Nobody has ever tried to understand this pony. Nobody has ever been on her side. Until now. She needs you to fight for her, Marley. She needs you to love her. Borderline Majestic was imported from the other side of the world to bring her new owners fame and glory, but she is almost impossible to handle and ride. When the pony lands her rider in intensive care, it is up to Marley to prove that the talented mare is not dangerous - just deeply misunderstood.
