

## Dare Truth or Promise

When Louie and Willa first meet, they don't know their lives will soon be changed forever. Self-assured Louie is gearing up for another successful year in high school, starring in a production of Twelfth Night and running the Comedy Club. Kicked out of her last school and still stinging from a past relationship, Willa wants only to get through her final year at school quietly so she can graduate and become a chef. More than anything, she wants to be left alone. But each girl unexpectedly finds that plans mean nothing when it comes to love. Louie discovers that everything she was sure of—acceptance, faith, and identity—are not what they had seemed. And Willa finds herself suddenly willing to take another chance.
