

Dark Loch

An isolated Scottish village above a fog-bound loch. A dark local legend, and a missing teenage girl. A sister determined to discover the truth...and deliver justice. Last Halloween, Kats sister vanished. Everyone believes Louise was simply a teenage runaway. But Kat knows something has happened to her sister, and shes convinced that Louises disappearance is connected with a small Scottish village called Carnag. Now Halloween is approaching again, the locals of Carnag want nothing to do with Kat, and the man she loves might be lying to her. Can she discover the truth before she suffers the same fate as her sister? This short story is approx. 17,000 words long.
