

Sisters of Misery

Some Girls Have Everything. Then There Are The Jealous Ones. Hawthorne, Massachusetts is a picture-perfect town filled with shingled houses and quaint storefronts. Its a place where status is everything--especially at Hawthorne Academy, ruled by a secret clique of popular, powerful girls known as the Sisters of Misery. Fifteen-year-old Maddie Crane has done her best to fit in, mostly for her mothers sake. But then her beautiful cousin Cordelia LeClaire arrives in town, stirring envy and suspicion, and setting in motion a terrible sequence of events. Because Hawthorne is a town filled with secrets, and they are coming to light again.

. Exciting, dangerous, and mysterious!--Richelle Mead, New York Times bestselling author
