

Fly Fishing Eastern Sierra Streams: where to go, what to use and how to get there

Fly Fishing Eastern Sierra Streams takes its readers to some of the finest, accessible streams and creeks in the Eastern Sierras. In addition to offering priceless information on fly fishing for wild trout, Mike discovered a way to incorporate personal fly fishing successes and tragedies in his writings. He also opens a few doors along the way, and shares some very personal accounts about the man that got it all started; his father. Fly Fishing Eastern Sierra Streams is a full-color guide book that will have you laughing one minute, and thinking of good times with your own dad the next. Mike's book will surely be appreciated by both seasoned veterans and first-timers alike. Come along and enjoy Mike's passion for catching wild trout with a fly.
