

Remembrance

Lizzie Davenport has been reincarnated from 1815, England... but she doesn't know it until she meets her soul mate from the past and he triggers her memories to gradually return. When Drew Carmichael transfers into Lizzie's high school, she feels a connection to him, like she knows him. But for reasons Lizzie doesn't understand, he wants nothing to do with her. Why does he keep pushing her away? Lizzie knows she should let go of her fascination with Drew, but fighting fate isn't easy, and she's determined to unravel the mysteries of the past... no matter how deadly those secrets might be. Inspired by Taylor Swift's Love Story and Jane Austen's Pride and Prejudice, The Transcend Time Saga is a YA romance with a fantasy / time-travel twist that readers will love! If you were to take a dash of Romeo and Juliet, a handful of Pride and Prejudice, and a pinch of a Disney fairytale, you'd probably come up with Remembrance! -Gilbert & Gomez The love between Drew and Lizzie is everything you could hope to see in a love pairing. It's honest and real. Romantic and agonizing. Sensual and heartfelt. I was drawn into these characters, their relationship, and the world Michelle creates. -Addicted to Words Reviews I loved everything about Remembrance. The dialogue was fantastic, the pace moved perfectly, the romance was charming, and the story was brilliant! -Shortie Says
