

Detroit: An American Autopsy of Financial Failure: The Secrets behind the Detroit Bankruptcy & How You can prevent it from happening to your city

Discover the True Reasons Behind the Downfall of Detroit! ***Get this Amazon Best Seller now for the special promotion price of \$2.99! Regularly priced at \$3.99*** Detroit once used to be the central of the automotive industry. Mo-town, or Motor City was its Nickname. It was the bustling center of Michigan state. In the last few years, the slow decline in the economy, uncontrolled government spending, and overwhelming unemployment has driven this city to file for bankruptcy. It is the first American city to do so, and you can be sure this is just the beginning. This book will explore the underlying reasons of Detroit's financial failure, and how you as an individual can help your cities remain sustainable. Discover and learn from Detroit City. Heres a Preview of What you will learn * The rise and Fall of an Industrial Giant * The history of Henry Ford & how he helped the city grow * the numerous tax problems Detroit faced * Why did so many jobs go away? * Labour Unions VS Employers, the struggle * The Fall of Detroit's Automotive industry * How to prevent future Detroit's * and much much more **DOWNLOAD YOUR COPY TODAY** Comments From Other Readers The world economy is so unstable now. The City of Detroit is just the beginning of a huge financial downfall. We must learn to help our own cities. This book describes all of that in full detail. Its a must read for anyone - Mike Keegan (New York, USA) This book gave me a whole new perspective on government spending and taxation. If we dont control it, our civilization can and will collapse. I must really thank this book for opening my eyes. - Linda L (Boston, USA) I heard the news of Detroit City and I really wanted to read about it. I completely agree with the authors point of view. Loved the writing and I recommend it for anyone. - Kimberly J (Manchester, UK) Tags: Detroit,
