

Diamonds in the Rough (The Secret Diamond Sisters)

All-access doesn't mean no problems. The three Diamond sisters survived the summer in style after coming to live with their long-lost billionaire father. But making a place for themselves at their exclusive new Las Vegas private school is throwing them any number of gold-plated curves. Savannah's YouTube stardom turns into a Sweet Sixteen reality show extravaganza--with complimentary enemies on the side. Dangerous flirtations don't keep Peyton from a gamble that will risk far more than she planned to bet. And when Courtney and the sisters' archenemy, Madison, uncover two explosive secrets, it will rock even this town of glittering illusion--and turn their lives upside down all over again. Sisterhood, first crushes, and scandalous secrets explode in book two of Michelle Madow's riveting series, *The Secret Diamond Sisters*.
