

Dont Make the Black Kids Angry: The hoax of black victimization and those who enable it.

Black people are relentless victims of relentless white violence, often at the end of a badge -- for No Reason What So Ever. That was the biggest news story of 2014 and it was easy to find in the New York Times, CNN, MSNBC, Spike Lee, Oprah, USA Today, and lots of other places. The President got in on the act in 2014 when he told the Congressional Black Caucus about a justice gap. Where too many young men of color feel targeted by law enforcement. Guilty of walking while black. Driving while black. Judged by stereotypes that fuel fear and resentment and hopelessness. War on black people, anyone? That is the biggest lie of our generation. Because just the opposite is true. Black crime and violence against whites, gays, women, seniors, young people and lots of others is astronomically out of proportion. It just wont quit. Neither will the excuses. Or the denials. Or the black on white hostility. Or those who encourage it. That is what Dont Make the Black Kids Angry is about.
