FREE Chess book included IF ... IF were shipping to a USA address (sorry, but International shipping costs increases every 4 ounces) * The proper use of combination play is the secret of winning chess. Winning Chess not only tells you, but graphically and forcefully shows you, how to recognize the elements of winning tactical combinations and how to apply them to actual games positions. It teaches you how to look for the distinguishing characteristics and repetitive patterns that announce the presence of a potential combination. It shows you how to exploit these patterns to achieve such winning tactics as The Pin, The Knight Fork, The Double Attack, The Discovered Check, The Skewer and a dozen others. Each tactical theme is explained, demonstrated, analyzed and illustrated from the simplest form to the more complex situations that arise in master games. Each chapter constitutes a unique lesson in attacking play, and each can be applied directly to your own game. If you learn these lessons well, you will be well on the road to playing winning chess. * PAPERBACK from Simon & Schuster, New York, NY USA Collectable LIKE NEW * straight from the publisher, out of the actual printers case - * Well send you an email with our, as of Dec. 25, 2015, 54 FREE selections! * Purchase (2) two or more individually listed items, and Ill upgrade your USA shipping to Priority Mail (2-3 days delivery estimate) for free! * Additionally, when earning Upgraded shipping, you also qualify for an ADDITIONAL Thank You Gift.
