

## Dream On: The Silver Trilogy

Things seem to be going well for Liv Silver: Shes adjusting to her new home (and her new family) in London; she has a burgeoning romance with Henry Harper, one of the cutest boys in school; and the girl whos been turning her dreams into nightmares, Anabel, is now locked up. But serenity doesnt last for long. It seems that Livs troubles are far from over - in fact, suddenly theyre piling up. School gossip blogger Secrecy knows all of Livs most intimate secrets, Henry might be hiding something from her, and at night Liv senses a dark presence following her through the corridors of the dream world. Does someone have a score to settle with Liv? Romance, adventure, and danger abound in Dream On, the second audiobook in the Silver trilogy.
