

Edisons Alley (Turtleback School & Library Binding Edition) (Accelerati Trilogy)

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Both Nick and the Accelerati have learned that the strange objects Nikola Tesla left in Nicks attic are pieces of a Far Range Energy Emitter, capable of transmitting free energy to the globe. Some components of the contraption are still missing, but the objects themselves seem to be leading Nick to their current owners. Each piece is with the person who needs it the most. But there are plenty of obstacles: Nick finds his judgment impaired by Caitlins intoxicating closeness, not to mention her ex-boyfriend Theos jealous sabotage; Mitch has to choose between pleasing Petula or helping Nick; and Vince, who gets his hands on some light-absorbing drapes, is so taken by the darkness, he cant let them go. The Accelerati, meanwhile, are still around every corner, and they manage to beat Nick to a few more objects. They use the few pieces of Teslas technology theyve recovered to create a storm and convince local officials that the Tesla F.R.E.E. is hazardous. The objects are confiscated by the Accelerati as the town brings in a wrecking
