A Century of New England in News Photos

Like music and dancing, newsmen and photographers in the infancy of photo journalism worked together to provide an exciting product. Originally published in 1978, A Century of New England in Photographs is a historical collection of photographs and captions, compiled from the Boston Globes library as well as other credited sources, that depicts the infancy of photo journalism from 1872 to 1978. For over sixty years Globe Pequot Press has been at the forefront of the movement to save local history for future generations. In doing so we published countless valuable books local history, biography, architecture, antiques, genealogy, and travel. Today we return to our roots and share a classic Globe Pequot Vintage title that still stands the test of time.
