

Enthralled: Paranormal Diversions (Body Finder)

A journey may take hundreds of miles, or it may cover the distance between duty and desire. Sixteen of today's hottest writers of paranormal tales weave stories on a common theme of journeying. Authors such as Kelley Armstrong, Rachel Caine, and Melissa Marr return to the beloved worlds of their bestselling series, while others, like Claudia Gray, Kami Garcia, and Margaret Stohl, create new landscapes and characters. But whether they're writing about vampires, faeries, angels, or other magical beings, each author explores the strength and resilience of the human heart. Suspenseful, funny, or romantic, the stories in Enthralled will leave you moved.
