

Stalked (Lorimer SideStreets)

Its the summer before her final year of high school, and Amy and her best friend Elise are stoked about their summer job. Two months, no parents, a dreamy twenty-something boss, and a remote Vancouver Island resort. It sounds like the perfect opportunity for shy, artistic Amy to reinvent herself. But when her dream boss turns creepy, Amy has to decide how far shes willing to go to get the recommendations she needs for her future. [Fry Reading Level - 5.6
