

First Love Set

Summer Love and Autumn Goodbye, together in one book for the first time! Summer Love Meet Marissa. Marissa spent every summer of her childhood away from her hometown with either her grandparents or her aunt. One summer, while staying with her aunt, she met Chad. Chad was her cousins best friend, but he was much older than she was and the definition of bad boy. Marissa didnt see him for his past, but saw him as the person he could become. It didnt take long for her to become infatuated with the teenager. The following summer, they began dating, although they had to keep the relationship a secret from everyone except for a few select people. Chads past criminal record, age, and the fact that he was a father would be more than enough for Marissas family to keep her away from him. Marissa didnt care; she was in love. The couple didnt know what would happen when summer ended and Marissa had to go back home, but they didnt care. They were determined to make their relationship work. Chads past mistakes kept coming back to haunt him. Can their relationship survive all the obstacles in their way? Can Chad overcome his past or will he repeat his history of drug use? Will Marissa give up? Autumn Goodbye Summer is over. Marissa returns home to her life, leaving her boyfriend Chad to his own life. She worries how the relationship can survive being so far away from each other for the entire school year. Chad makes the effort to make the 3 hour drive as much as he can in the beginning. Once wrestling season starts, he struggles to make the time for his girlfriend. Anthonys mother makes an appearance back in his life and turns his world upside down. That January, the first tragedy strikes. Unable to cope with the sudden loss of his older brother, Chad spirals into the world of drugs. With the help of Marissa and Chris, he is able to overcome that battle and move on. As wrestling season comes to a conclusion,

Chad is agonized with a devastating injury during the state championship match. Marissa struggles to keep Chads spirits up as he is hit by one tragedy after another. After being forced to move to another town and attending another school, her mother informs her that she will no longer be able to be away from home during the summers.

The First Love series come to an end as Marissa is forced to face her first broken heart.
