

Flutura (The Alpha Girls Series, book one)

This is a novella of approximately 25,000 words. Book one of The Alpha Girls series introduces you to Alexis, Brittany and Caitlin who have grown up together since birth. Caitlin is ready to become a woman, but she's fourteen and has yet to experience her first French kiss or her first period. The summer before high school will change all of that. Caitlin is taken by surprise when Joshua reveals his feelings for her. As Caitlin sorts out her own feelings toward Josh the memory of the kiss she shared with Trick on the beach continues to invade her thoughts. Good thing she'll never see Trick again or things could get complicated.
