

Freaks: Alive, on the Inside!

If this is a dream, why does she seem so real? Though Abel Dandy was born to circus performers and grew up in a troupe of odd and inexplicable people, he has never felt limited by his normalcy--until now. Realizing hell never be more amazing than the talented oddities around him, Abel can only dream of living a life richer than his own. But in his dreams a mysterious woman beckons him, calling him passionately by a name he doesn't know and speaking in a language he's never heard, but fully understands. Compelled by these visions and yearning to be more than ordinary, Abel embarks on a journey more frightening and wondrous than he ever imagined....
