

## General, Organic, and Biological Chemistry: Structures of Life with MasteringChemistry with Pearson eText Student Access Code Card (3rd Edition)

Karen Timberlake's student-friendly writing and real-world, health-related applications make General, Organic, and Biological Chemistry: Structures of Life one of the most popular GOB Chemistry texts available. The Third Edition of this text breaks allied health chemistry concepts into bite-sized pieces, with a step-by-step approach that provides clear and thorough understanding. Conceptual questions at the end of each chapter test your understanding of the material. New Green Chemistry Notes include Biodiesel: An Alternative Fuel, Greenhouse Gases, and Energy Saving Light Bulbs. Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. Package contains: Timberlake, General, Organic, and Biological Chemistry: Structures of Life, Third Edition MasteringChemistry with Pearson eText Student Access Kit
