

## Donald Duck Adventures Volume 18 (No. 18)

Long adventures featuring Donald Duck, Mickey Mouse, and Goofy. In Lets Get Kraken, spendthrift tycoon John D. Rockerduck is hunting the legendary Kraken for his marine park. Donalds Cousin Fethry, Uncle Scrooge, and the monster-hunters of TNT all have reasons to prevent Rockerducks success. Alas, all three hope to prevent it by disguising Donald as a sailor and using him to sabotage Rockerducks yacht! One fowl deed leads to another, and soon our heroes are all up against a carnivorous squid-crab bigger than an apartment building... Blot Clot features Mickey Mouse up against one of his greatest enemies. Who wants to paint a hypnotic symbol on the moon that will brainwash everybody on Earth? The Phantom Blot, thats who! Traveling into space and undoing the rotten scheme is made more difficult for Mickey when Goofy falls under the bad guys spell! Finally, in Legacy, Donald is back in his super-heroic identity of the Duck Avenger; an identity he can reveal to no one, for his super suit and gadgets were originally meant for his cousin Gladstone Gander! When the creator of the super paraphernalia returns, will Gladstone learn the truth? And how are things complicated when the monstrous Dr. Nemeziz enters the fray?
