

At the Center (Bounce)

Cody's basketball team, The Rebels, has an almost perfect record, thanks to the skills of his best friend Jayson Dominator Davis. Jayson is new to the team and to the nearly all-white high school. Tension between the coach and Jayson has simmered since he transferred from the inner city. When Coach kicks Jayson off the team, more than the school's record is at stake. A school-wide dispute falls along racial lines, and Cody finds himself at the center. Can Cody step up his game where it really counts?
