

Galaxica (The Galaxican Invasion Book 1)

On the day Russia was supposed to declare war on Greater India, fifteen-mile-wide seven pointed star-like objects appear rotating over their largest cities. Each side gets agitated, thinking its the other sides Weapon Zeta being launched. Russia acts first, launching an arsenal of nukes at the massive star-shaped object and at Greater India who responds minutes later with their own ICBMs. America launches missiles at Russia and has to initiate Defense condition 1. As Ellis and his girlfriend both line up with the rest of the world to witness the end of everything, a stunning event occurs; the nuclear weapons that had detonated over the cities are reversed, reconstructed piece by piece and sent back into their silos. Now the hunt is on for Seekers since they were the ones who were able to see the stars before they appeared for the rest of the world. Ellis has to watch out or he could end up being water boarded or worse....
