

American Reference Books Annual: 2016 Edition, Volume 47

Comprising professional reviews of the latest reference resources written by practicing academic, public, and school librarians, ARBA will help all types of librarians build a strong reference collection for their library, no matter the size of their budget. Provides reviews of print resources, eBooks, subscription databases, and free reference websites, showcasing a wide spectrum of resources for users to consider. Presents unbiased evaluations that allow users to make their own decisions on the suitability of a given resource for their patrons' needs. Gives users access to reviews containing critical, relevant, and timely information from practicing, active librarians.
