

Perfect Date Gender Swap (A Gender Transformation Feminization Erotica)

My resolve was cracking quickly. It didnt help that hed pushed his hand towards my chest and was now rubbing his thumb softly across my nipple. The feeling was incredible. I had no idea that women felt things this way. His other hand trailed along my stomach and down between my legs. I could feel the heat building between my legs and suddenly I just couldnt take it anymore. Brandon makes a business of having successful relationships.

Hes counseled men across the country on how they can have a perfect date and extend that into the bedroom. When he starts dating Veronica though, he has no idea whats in store for him. A brilliant new pill proves to be just the thing this couple needs to start their sexual relationship off with a bang! When Veronica and Brandon swap genders, the results are every bit as hot as he or she could have hoped for. Brandon finds herself unable to resist the new desires that come with her new body and Veronica has his own manly urges to contend with. An evening of lust and a whole lot of new experiences await for both of them. This book contains graphic depictions of sexual content between consenting adults. All characters are at least 18 years of age and are fictional. From the first bottle of wine to the last gasp on the bedspread, this one will be a date to remember!
