

General Winstons Daughter

When eighteen-year-old heiress Averie Winston travels to faraway Chiarrin, she looks forward to the reunion with her father and her handsome fianc, Morgan. What she finds is entirely different from what she expected. She realizes that Morgan is not the man she thought he was; and she finds herself inexplicably drawn to another. Handsome Lieutenant Ket Dukai is like no one Averie has ever met, and she enjoys every moment she spends with him, every delicious flirtation. Averie knows shes still engaged to another man, but she cant help but think about Lieutenant Dukai, and she wonders if he feels the same.
