

Geography: Realms, Regions, and Concepts

Geography: Realms, Regions, and Concepts, 16th Edition Binder Ready Version maintains the quality you've come to expect from the foremost author team in geography. It continues to showcase authoritative content, outstanding cartography, currency, and flexibility in a technology-rich package. Topics range from the Arab Spring to China's aggressive expansion into surrounding regions. This new edition aims to familiarize the student with the rapidly changing world around them. This text is an unbound, binder-ready version.
