

German Is Fun-Book 2

This is Book 2 of a 2 volume series. Book 2 is for Advancing Students. Purpose: To provide students with a basal text that will help them attain acceptable levels of proficiency in basic communicative skills. The book provides enough materials for a one-year course. Motivates students to learn German through lessons that are really fun. Lessons are built on a clearly focused context and follow a consistent program sequence. Uses visual cues for learning and practice. Lively drawings convey meanings of words without need of English. Presents structure inductively. Students make their own discoveries and conclusions. Provides communicative exercises. Develops conversational skill through personalized practice. Features short, entertaining narratives and/or playlets that illustrate new vocabulary and structures. Presents cultural insights through a Kulturecke after each lesson. Softbound Worktext.
