

## God is No Laughing Matter

In *God Is No Laughing Matter*, bestselling author Julia Cameron takes a witty, powerfully honest, and irreverent look at the culture of spirituality today and offers insight to enable readers to determine their personal spiritual path. The important thing to remember, she says, is that God is both more humorous and more humane than we've been taught. With her trademark sparkling prose (Publishers Weekly), anecdotes, and helpful techniques, Cameron's thought-provoking essays paint the spiritual journey in a refreshingly clear light. Addressing the way in which spiritual experts have clouded the message, her book shows readers how to improve concentration and how to make conscious choices that heighten their individual autonomy as well as enrich their lives and their communities.
