

Fishing for Brookies, Browns, and Bows: The Old Guys Complete Guide to Catching Trout

An authoritative, amusing and thoroughly engaging guide to fishing for trout. This definitive guide to catching trout marries the expertise of veteran trout fisherman and champion tournament caster Gord The Old Guy Deval with the wit and brilliance of his star pupil, author Paul Quarrington. The result is a compendium of invaluable tips on the art and intricacies of angling from the master, laced with pungent editorial comments from his upstart apprentice. Paul Quarrington guides us through this abundance of intriguing information, putting some of Deval's more outrageous bits of advice into perspective, offering his own pieces of wisdom and adding a few hilarious anecdotes about his travels with the Old Guy. This book provides both an indispensable store of information about how to catch trout and a very good time.
