

River Valley Mystery Collection, Christian Cozy Mystery, Books 1-3

Enjoy all three River Valley cozy mysteries in one book! **Deadly Neighbors:** When Marsha Calloways daughter is accused of a crime she didnt commit, Marsha is determined to find the real culprit. She enlists the help of her Cadillac driving mama, the man who ditched Marsha at her high-school graduation but kept her heart, and a bumbling police officer. Folks around River Valley are having things disappear while they are sleeping with their eyes open. Seems everyone has a dream and not enough funds. Someone is determined to kill for that dream. Will River Valleys cast of colorful characters live to see another day? Can Marsha find out who the thief is before she becomes one of the sleep walkers? **Advance Notice:** Elderly women are dying in River Valley...after their names appear in the obituaries. When the latest woman comes to Marsha Steele for help finding the killer before she becomes the next victim, Marsha is thrust into another mystery that could very well be her last. Business is booming at the Country Gifts from Heaven, Marsha still hasnt set a wedding date, her nemesis has arrived back in town and has her painted claws wrapped around Duane, and Marshas daughter has her teenage eyes on the new, brooding young man in town. With all of lifes craziness, can Marsha catch a killer before she becomes the next target? **The Librarians Last Chapter:** Marsha Steele is at it again. When she volunteers to help the high school librarian with a book fair, Marsha stumbles across the womans body and is roped into running the book fair alone. Marsha comes up with the great idea of doing the fair along with a harvest carnival. The main attraction is a Haunted Tunnel. Little does she know, but evil lurks inside the tunnel that has nothing to do with scary costumes. Join in as once again Marsha and a cast of zany characters try and catch a killer before they become the next victim.
