

## A Baby for Hannah (Hannahs Heart Book 3)

In Jerry Eichers final, never-before-published book in the Hannahs Heart series, Jake and Hannah Byler are adjusting to life in their Amish community in rural Montana. While Jake works long days as a furniture maker and newly appointed minister, Hannah stays busy keeping their home in order. Both anticipate their babys birth with joy. When word of the Mennonite tent revival spreads and worry about losing church members mounts, Hannahs sister arrives and quickly catches the eye of the young bachelor whose brother left the church during the last revival. At the same time, Jake and Hannahs neighboran Englisha announces his interest in one of the Amish widows. Drawing from his own Amish experiences, Eicher tells this rich story of colliding cultures and gives his growing readership one last glimpse at Jake and Hannahs determination to stay faithful to God and the traditions of their church. About This Series: The Hannahs Heart series follows Hannah Bylers quest for true love within the traditions of the Amish faith. Although life in rural Montana is unfamiliar and at times dangerous, Hannah learns to thrive as she shoulders new responsibilities, deals with sudden hardships, and embraces her place in this small community of believers.
