1. Meagan Swears Off Men: A First Lesbian Sex Erotica Story by Amy Dupont My roommate had finally had enough. After another jerk of a boyfriend treated her like dirt she decided it was time to take a break from men. I didnt realize Id be the replacement! When she wakes me with a kiss and then heats things up even more, I discovered I didnt mind that at all. 2. Mary, Mary: A First Lesbian Group Sex Erotica Story by Angela Ward I couldnt believe it when I walked into the room and saw Hillary and Mary going at it! It was the most exciting thing Id ever seen in my life, but then it got even more exciting when Mary called me over and I had my first lesbian sex experience! Better yet, I had it with two girls at the same time! 3. Deirdre Debbie and Me: A Lesbian Group Sex Erotica Story by Connie Hastings Who would have thought that right after finals Id wake up and my roommates would have their hands and mouths all over me? It was my first lesbian sex, and it happened in a group! 4. Threesome with My Lesbian Friend: An FFM Menage a Trois Erotica Story by Nycole Folk I couldnt believe I was going through with it, but Sharon agreed and before I could really think about it, I was right in the middle of my first ever lesbian sex experience. When my boyfriend joined in, I think it was the sexiest thing Id ever seen! What made it even more incredible was the way my

lesbian friend really got into sex with my man! 5. The Dare and the Truth: A First Lesbian Sex Experience by Sarah Blitz At the party, when everyone dared Sally and me to make out, it was nervewracking and embarrassing, but when we actually did it, I felt the most confusing exhilaration I'd ever felt. It was so powerful that when I got home I couldn't stop thinking about it (or touching myself.) I was afraid it would be awkward at work the next day, and I was right. Sally put an end to the awkwardness, though, because she'd already decided she wanted more than a kiss!
