

You

You're surprised at all the blood. This wasn't the way it was supposed to go. You're just a typical fifteen-year-old sophomore. This can't be happening to you. But then, how do you explain the blood? How do you explain how you got here in the first place? Maybe if you can figure out where it all went wrong, you can still make it right. Think fast. Times running out. . . .
