Book 1 - Living with Less Master the Art of Living Well Spending Less by Adopting the Minimalist Mindset for Happiness and Fulfillment in Life! (Save Money, Simple Living, Spend Less, Minimalist Lifestyle) This book is an ultimate guide to mastering the art of living well while spending less. It will provide the reader with all the information they require to guide them in adjusting their live to shift from being excessive spenders to little reasonable spenders without compromise to their way of life. It will provide excellent tips on how to develop a minimalist mindset and lifestyle with the aim of lowering the cost of living while at the same time living well. It will provide great ways to help the reader spend less, save, reduce and manage debts therefore resulting into a life of happiness and fulfillment. It will provide insightful recommendations and tips on budgeting and favourable alternatives that are less costly to substitute for the things we lose money on in life. Book 2 - Frugal Living The Ultimate Guide to Frugal Living for Dummies. Incredibly Useful Frugal Tips, Frugality, Minimalism, How to be Frugal. The answer to simple and happy life is simple you have to learn how to become frugal. You dont have to waste thousands of dollars, valuable time and additional resources on expensive and good for nothing self-help books or coaching seminars just so you could learn how to be efficiently frugal. Book 3 - DIY Pantry The Ultimate DIY Pantry Guide to Lemon, Baking Soda, Peroxide and Essential Oils. Life Saving DIY Pantry Tips. This book is an ultimate guide to stocking up of a pantry. It will provide an unmatched level of information about a number of ingredients that you should never leave out when stocking up your pantry. The book informs you why lemons, hydrogen peroxide, baking soda and a number of essential oils discussed are a must have in your DIY Pantry. It will further enlighten

you on their various uses and benefits while giving instances where they can be used as substitutes during times of necessity. The book will also give a number of useful recipes for meals or preparation of substances that involve the use of baking soda, lemons, hydrogen peroxide and a few other essential oils.

Book 4 - Living Off The Grid The Ultimate Guide to Creating a Self-Reliant Supply of Energy, Shelter, Water Harvesting, Water Treatment, and Storage Learning how to live off the grid is the right way to get rid of all of that and the right way to stop wasting money, energy, water and other resources. It is the key to starting a better lifestyle, to becoming a self-efficient human being, and to leading a smarter life. Living off the grid doesnt mean throwing everything you have worked for away - it simply means changing your lifestyle for better and for good.

Book 5 - Natural Antibiotics and Antivirals The Ultimate Guide to Natural Antibiotics - Homemade Herbal Remedies that Kill Pathogens and Cure Bacterial Infections and Allergies. Prevent Illness, Cold and Flu. More often than once you have passed through a vegetable market and/or your own garden and seen these beautiful fresh vegetables, herbs or even weeds of varying colours, texture and shapes. Chances are you are looking at a powerful antiviral or antibiotic natural substance that could be the answer to an illness you might be suffering from. Bacteria and virus caused illnesses and diseases are sometimes hard to prevent and treat due to their rapid regeneration in the hosts cell.
