

## Secrets and Lies: Hes a Bad Boy//Hes Just a Cowboy (Hqn)

Hes a bad boy Famous criminal defense attorney Jackson Moore thought he had left his bad-boy past behind him but his childhood sweetheart had different plans for him. Rachele Remont thought she could forget her tragic small-town history by writing about it in her nationally syndicated column. She hadn't counted on Jackson Moore's return, or on the way her blood ran hot at the sight of him. He was determined to discover the town's secrets with Rachele and in doing so, uncover some secrets of their own. Hes just a cowboy For six agonizing years Heather Tremont Leonetti tried to make a lie of the breathless summer when rodeo rider Turner Brooks broke her innocence and branded her heart. But now only the truth could save her most precious, cherished memento. Which meant she'd have to beg the help of the one man who could drive her to her knees the proud, unforgiving loner she'd loved the unforgettable cowboy who'd sired her son.
