

I Am Margaret (Volume 1)

IN MARGOS WORLD, IF YOU DONT PASS YOUR SORTING AT 18 YOU ARE RECYCLED. LITERALLY. Look, if you dont pass... said Bane, Ill have to see what I can do about it. Because... well Ive been counting on marrying you for a very long time, now, and Ive no intention of letting anything stop me! Margaret Verrall dreams of marrying the boy she loves and spending her life with him. But shes part of the underground network of Believers and that carries the death penalty. And theres just one other problem. Shes going to fail her Sorting. But a chance to take on the system ups the stakes beyond mere survival. Now she has to break out of the Facility - or face the worst punishment of all. Conscious Dismantlement. Great style very good characters and pace. Definitely a book worth reading, like The Hunger Games. EOIN COLFER, author of Artemis Fowl An intelligent, well-written and enjoyable debut from a young writer with a bright future. STEWART ROSS, author of The Soterion Mission This book invaded my dreams. SR MARY CATHERINE BLOOM OP
