

I Used to Know That: Stuff You Forgot From School

If you've forgotten the capital city of Chile; the basics of osmosis; how to solve a quadratic equation; the names of the Bennet sisters in *Pride and Prejudice*; who wrote the famous poem about daffodils; the use of a conjunction or the number of continents in the world, *I Used to Know That* will provide all the answers. A light-hearted and informative reminder of all the things that we learnt in school but have since become relegated to the backs of our minds, *I Used to Know That* features hundreds of important snippets of wisdom, facts, theories, equations, phrases, rules and sayings.
