

The Complete Idiots Guide to Yoga Illustrated: 4th Edition (Complete Idiots Guides (Lifestyle Paperback))

Completely restructured to focus more on the how-to components of yoga, this step-by-step guide replaces photos with all-new two-color line illustrations that not only show readers what the various yoga postures look like, but how to get in and out of them easily and painlessly. Non-intimidating and easy-to-follow exercises show readers just how fun and relaxing yoga can be.
