

# Illuminae

For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. A truly beautiful novel that redefines the form. Victoria Aveyard, bestselling author of Red Queen This morning, Kady thought breaking up with Ezra was the hardest thing shed have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet thats little more than a speck at the edge of the universe. Now with enemy fire raining down on them, Kady and Ezrawho are barely even talking to each otherare forced to evacuate with a hostile warship in hot pursuit. But their problems are just getting started. A plague has broken out and is mutating with terrifying results; the fleets AI may actually be their enemy; and nobody in charge will say whats really going on. As Kady hacks into a web of data to find the truth, its clear the only person who can help her is the ex-boyfriend shesworeshed never speak to again. Told through a fascinating dossier of hacked documentsincluding emails, maps, files, IMs, medical reports, interviews, and moreIlluminaeis the first book in a heart-stopping trilogy about lives interrupted, the price of truth, and the courage of everyday heroes.
