

11 Simple Yoga Poses For Beginners: With Proper Hatha Yoga Poses Instructions (You Wish You Knew Yoga For Beginners Series) (Volume 1)

I created this yoga poses for beginners book for yoga beginners who are looking for the most beneficial yoga poses with the proper and correct hatha yoga poses that beginners should absolutely know about. Let me introduce myself. My name is Juliana Baldec and I am just like you a yoga beginner. You will find some truly exciting nuggets and surprises inside these resource guides no matter how advanced you are. The system is perfect for beginners who might have tried to integrate yoga poses into their lifestyle, but until today these individual might have failed because of time constraints and modern life complexities. This compilation of the 11 most beneficial yoga workouts reveals my top yoga postures for beginners. I reveal some valuable tips how to apply them the right way and how to make them work for you the proper way. In todays world time has become such a valuable resource and I give you some insider tips that make these yoga poses for beginners at home work for you, too! The objective of the book is to give you my top 11 yoga basic poses for beginners, to show you the benefits of each one, and make each work for you! I will give you some valuable tips and hints what I like about each of these positions and why they specifically work for me. I tell you my own story about each position and why I connect so well to certain poses so that these stories become very valuable for your own yoga practice. Especially in the beginning of doing something new, it is critical to have a buddy to whom you can connect and model after. I modeled after my sister Alecandra who is an expert in meditation and yoga and she got her knowledge from the yoga and meditation gurus and insiders. This book gives you a cool way to discover the best yoga exercises for beginners without having to invest a fortune in trainers and instructors, but you still get the valuable information that comes from yoga inside experts who

have done this with passion for years. This book is based on my own yoga experiences as a beginner which makes this book so much more valuable for beginners.

Every beginner who really wants to achieve a true yoga lifestyle is able to apply my instructions because I show you some usability and time management tricks that I borrowed from Alecandra. These tips make this book a true effortless yoga system for beginners. Being able to apply this daily yoga ritual equals living a lifestyle with yoga which is going to bring you to the ultimate goal itself: unlimited possibilities, happiness, and unlimited health and mental benefits, and so much more... These 11 amazing beginner yoga poses will make a difference in your lifestyle because they can change your life from a common and unhealthy life and transform your life into a lifestyle that is so beneficial & enjoyable to live & you wonder how you were able to live without such a beginners yoga routine before. Once you get it, you are guaranteed going to stick to this system like glue because it is a highly mentally & physically stimulating and beneficial process that you do not want to miss out on for even one more day. Doing these 11 yoga poses (you can do one every day!) is a highly beneficial process and you will soon see what this does for your health! Think of this in this way: You wont regret this investment because this investment is a drop in the bucket compared to the amount of money that you are going to save in medical bills alone. There is a new way of doing this the effortless way and it is called 11 Simple Yoga Poses For Beginners You Wish You Knew! The book is not expensive as opposed to high prized yoga trainers plus I will show you how to stick with a yoga lifestyle and how to make it a very personal, enjoyable, interactive, stimulating, inspirational, exciting, effortless, successful and transformational process where your body and brain get all the benefits! See you inside where you can get started with the proper hatha yoga poses...
