

## A Season for Sorcery (Fog & Tea Book 3)

With the realm overrun by demons, Peter and Clementina are forced to venture into the dreaded Poisonleaf Wood, seeking the aid of the fabled Autumnal Queen. They soon discover that the sickly boughs of the forest conceal a terrible conspiracy. What monstrosities are being manufactured in the woods? And what is being raised from the dank and shadowy undergrowth? Fog & Tea will need to solve the mystery quickly, before the plans of their enemies erupt!
