

# Mad Max Murphy

Mad Max Murphy is a soccer player. More to the point he is a goalie and everybody knows that goalies are a little, well, theyre just different. But even beyond his goalie attitude, Max is different. Things happen when he is around, odd things, strange things. Even his friends are different, in particular Basil and Meg Greene, the son and daughter of Lord and Lady Greene who have relocated to Madison where Max lives. Mix this in with the summer soccer league, two headless bodies, some Russian missiles, and a missing vial of something from Plum Island where the government fools around with all sorts of nasty viruses and bacteria, and youve got a formula for excitement.
