

Betweentimes

When Jons neighbor Owen invites him to the Jumping Bean Burrito Bar, of course he accepts. True, the restaurant is about as Mexican as Alan Thicke, the margaritas are sugary enough to send you into a diabetic coma, and the salsa tastes like it came out of a can. But Owen will be there...thats all that matters. And then the date turns spicier than Jon could have ever anticipated. Explicit short story, m/m - 3380 words
