

## Inbetween (Kissed by Death)

Since the car crash that took her fathers life three years ago, Emmas life has been a freaky and unending lesson in caution. Surviving accidents has taken priority over being a normal seventeen-year-old, so Emma spends her days taking pictures of life instead of living it. Falling in love with a boy was never part of the plan. Falling for a reaper who makes her chest ache and her head spin? Not an option. Its not easy being dead, especially for a reaper in love with a girl fate has put on his list not once, but twice. Finns fellow reapers give him hell about spending time with Emma, but Finn couldnt let her die before, and hes not about to let her die now. He will protect the girl he loves from the evil he accidentally unleashed, even if it means sacrificing the only thing he has lefthis soul.
