

## An Introduction to Group Work Practice (7th Edition)

This comprehensive group practice text prepares students to work with either treatment or task oriented groups, this comprehensive revised edition offers the most up-to-date research available and continues to stress the importance of developing skills in group-work. Students receive a thorough grounding in areas that vary from treatment to organizational and community settings. Numerous case studies, practice examples, and guiding principles add to the ease and readability of this popular text. Content is tied to CSWEs core competencies and practice behaviors that are necessary for generalist and specialized social work practice with groups.
