

## Irish Fiddle Tunes for Mandolin (CD + Booklet)

Learn to play 10 easy Irish Mandolin solos designed to help you develop your personal solo designing skills. These are carefully designed solos. They are both exciting and inspiring and will definitely impress your listeners. (Musically these solos have diverse designs that will widen your knowledge of instrumental ideas). On the AUDIO portion of this course, each lesson is presented in 3 steps. First each solo is played at normal speed with accompanying rhythm guitar to demonstrate the finished product.
