

Blood and Magic

Born to a witch mother, Rafe always knew he had to keep that fact a secret for if it were discovered by his fellow vampires, it would not only make him an outcast, but could very well be his death warrant. As long as history has been recorded, witches and vampires have been mortal enemies and never once has a halfling been allowed to live. His entire world was turned upside down when a witch called Morgan manages, against all odds, to weasel her way into his vampire clan. For months, she threate
