

## New Perspectives on Computer Concepts 2010, Introductory (Available Titles Skills Assessment Manager (SAM) - Office 2010)

Get Synched! Its all about students and instructors tuning in to each other. And technology makes it possible. New Perspectives on Computer Concepts 2010 is the only computer concepts product with a fully integrated and truly interactive teaching and learning environment. The printed book, companion Web site, interactive BookOnCD, and WebTrack assessment help instructors and students work synchronously to understand and apply technology in their personal and professional lives.
