

## Jennie Gerhardt: A Novel

Jennie Gerhardt is the tragic story of an innocent, caring, beautiful young girl from an extremely poor family who throughout her life is drawn into affairs with two different men from a much higher social class. How members of her family, the family of one of the wealthy men, and society in general react to her situation is the basis of this classic story. Jennie Gerhardt was Theodore Dreiser's first true commercial success and is generally regarded as one of his best novels.
